NEWS ALERT – Grand Opening Event Set for June 28, 2012

WILSON –The Wilson Housing Authority will hold a Grand Opening event on Thursday, June 28, 2012 to formally open its renovated Eagle Pointe Community, now ready for occupancy. This affordable condominium community offers two and three-bedroom units priced at \$68,000 and \$73,000. Special financing is available for qualified buyers which can include up to a 20% “soft second mortgage” provided by WHA.

“This is another example of a great public-private partnership in the City of Wilson,” said WHA President/CEO Edward R. Jagnandan. “We have taken federal dollars, hired local workers and completely renovated these units to make them energy efficient and hold the cost to the buyers in the affordable range,” he said. “This is a great help to Wilson’s working families.”

Although the units were first offered to eligible residents who were already receiving housing assistance from the Housing Authority, access to these units is now open to the Wilson Community. Wilson residents who want information about these homeownership units should contact Kelly Vick, Director of Development for Wilson Housing Authority at:

252-291-2245 ext. 226
kvick@wilsonha.org

The event will take place at:

Eagle Pointe
808 Anthony Street
Wilson, NC 27894
at
10:00 a.m.
June 28, 2012

Housing redevelopment has a substantial, positive effect on quality of life from many perspectives including the improvement in housing, lower utility costs and general improvement of quality of life. This completed project which has produced a neighborhood of high quality, sustainable housing.

Media coverage of this event is most welcome. Housing Authority officials will make the units available for photography before and after the event. Please contact Jean Bolduc @ 919-225-1984 or jean@penandinc.com for any special setup needs.
