

JOIN THE WILSON HOUSING MAINTENANCE TEAM

The Wilson Housing Authority is looking for qualified Maintenance Technicians to join its maintenance team, which supports the housing authority's mission to supply safe, well-maintained affordable housing to the residents of Wilson County.

The Maintenance Tech positions are full-time, Monday-Thursday 40 hour a week jobs that offer a competitive wage and generous benefits package. Some night and weekend work is required as needed.

The successful Maintenance Technician should be able to perform a number of maintenance tasks including:

Basic Electrical such as wiring outlets and working on switches and three-way switches

Plumbing such as assembly of P-Traps, water heater installation and removal, working on faucets and dealing with drain and sewage stop-ups

Heating and Air such changing out and replacing hydronic heating coils and troubleshooting issues with natural gas heating systems

Drywall including hanging, mudding, sanding and painting

Carpentry including measuring out material and constructing handicap ramps and railings

Roof work including shingle repair

Vinyl siding repair

Flashing and Soffit repair

If you meet all – or even some of these qualifications – and are willing to work hard at a challenging and rewarding job that can become a career then consider applying with the Wilson Housing Authority.

The ability to speak and write Spanish is a plus for this position but is not required.

Applications for this job are available at the Wilson Housing Authority's website by clicking on the link to Maintenance Technician Application. A copy of the application can also be obtained at our administrative office at 301 Nash Street East, Wilson, NC 27896.

Please return the completed application to the administrative office either in person or by mail or by emailing it to Ashley Holloman at aholloman@wilsonha.org. Incomplete applications will not be considered.

The Wilson Housing Authority is an Equal Opportunity Employer.

Job Type: Full-time
